Please give a brief statement of why you would like to go on the voyage.	
This voyage presents many opportunities for personal development. What do you hope will be the key benefits for you?	

You do not need any previous sailing experience to take part, but if you do have some, it will be helpful for us to know what that experience is.

You will be expected to pay a contribution to the total cost of your place on the voyage – the amount will not be more than £200 and could be less if we feel you are eligible for a bursary grant. Please tell us how you intend to raise this amount or tell us the reasons you feel this amount is out of your reach and may make you eligible for a grant.

To tell us about your circumstances, please tick the boxes below that apply to you. If you or your parents or guardian are on low income, you may be eligible for support in funding the £200 voyage contribution.
